The Dyson Cinetic Big Ball Animal Allergy vacuum never loses suction. Dyson, along with just about every other major vacuuming manufacturer, has made this claim repeatedly in the past. Clean your home effortlessly with the Dyson V8 Animal Cordless Vacuum Cleaner. Performance With a Direct-drive cleaner head, the V8 Animal drives bristles deep into the carpet. This makes the vacuum high. If you've been shopping for a vacuum, or any other type of home cleaning equipment, you'll no doubt have heard of Shark and Dyson. These brands are two of the heavyweights on the market when it comes to vacuums, steam mops, and other home appliances. Dyson is definitely losing ground with the appearance of the latest Rotator, which is surprisingly good. Better yet, this appliance comes with a 7 year warranty, and has (at least in theory, if we were to assume Shark doesn't tell us lies) a powerful 270AW, the kind I've only seen in commercial upright vacuum cleaners.
