

Download When Science And Christianity Meet Pdf

Various aspects of the relationship between religion and science have been cited by modern historians of science and religion, philosophers, theologians, scientists, and others from various geographical regions and cultures. According to the Bible, God killed or authorized the killings of up to 25 million people. This is the God of which Jesus was an integral part. Christianity in China appeared in the 7th century, during the Tang dynasty, but did not take root until it was reintroduced in the 16th century by Jesuit missionaries. Today, it comprises Catholics, Protestants, Evangelicals and a small number of Orthodox Christians. Christianity has been historically intertwined with Western civilization. However, it is difficult to decide what its effects were. Through its long history, the Church has been a major source of social services such as schooling.
